

STEW Exotic

# The Lazy Tiger

By Stew Exotic

Stew exotic he had a Tiger.  
He was a lazy ass and just wanted to play  
Stew Exotic came in "Get up lazy ass, we  
have work today"

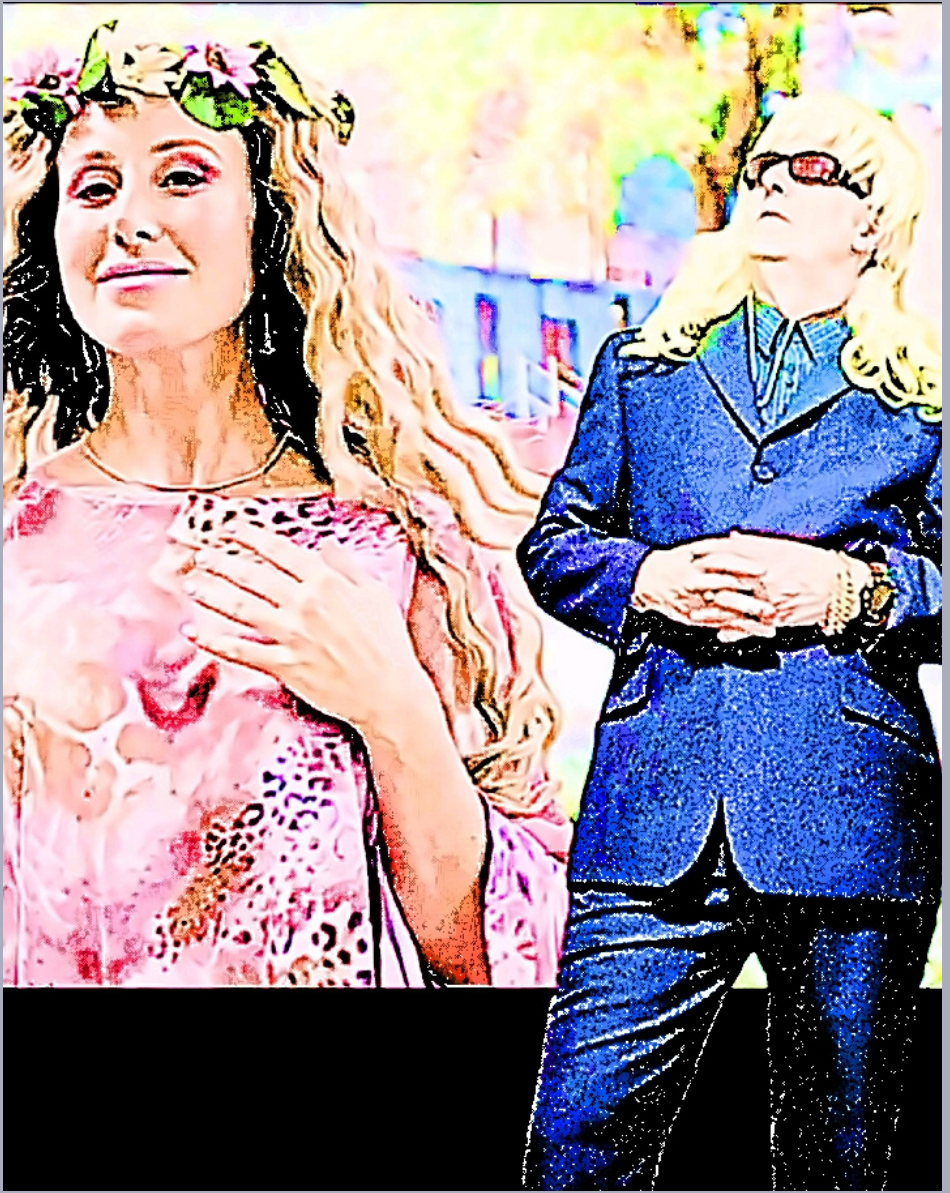

Lazy ass got mad . "Fuck off i dont want to go , You are a bell end your not fucking Joe"  
lazy ass laid back down hoping Stew would go.

Exotic got really mad.  
"Lazy ass, remember what Karen fed to  
your dad"

Karen Basket was an evil cow.  
Stews biggest nemesis after all the years,  
even now.

Karens husband dissapeared one day.  
Legend has it, he got grinded away  
and fed to lazy ass's dad twice a day.

Back to the story, Lazy ass went to work, as he walked off he muttered "stew is a jerk"

Stew was happy Lazy was making money.

Stew came up with this great idea, he thought it would be funny.

He ran in an election to be an MP.  
He even wrote a childrens book, as you  
can see.

Lazy ass became busier than a bee.  
He grew tired of Exotics madness,  
so he packed his stuff up and went to  
leave.

He went to Baskets, where she fed him  
some meat.

Lazy ass said " Eugh, this tastes like feet."

Meanwhile Stew was in a rage.  
Lazy ass only went and left his fucking  
cage.

He went to look at where Lazy had gone.  
Meanwhile Lazy ass said " Ah shit what  
have i done"

Exotic found Lazy ass one day.  
Lazy ass said "Please take me home"  
Exotic said "Okay"

Exotic took him away, and off they run,  
all the way home and ever since, they  
have had quite some fun.
